

THANK YOU!

To all the Culture Crops participants, contributors and speakers - the Culture Action Europe team would like to extend a big thank you for your time, your presence and your ideas. It is our guests that make Beyond the Obvious possible, through contributing diverse perspectives and experiences to this forum for dialogue and exchange.

During this conference "on the road" experience, we hope you enjoyed crossing boundaries with us, exploring cultural practices in non-urban territories. We are especially grateful to the cultural venues in Konstanz, Kreuzlingen and beyond that opened their doors to us, and for the knowledge and experiences they shared during the conference.

The full conference report is forthcoming, however photos from the conference are available [here](#).

Additionally, we would love to hear your feedback about the conference, through the [survey here](#). Your input is highly appreciated and will be used to develop and improve future Beyond the Obvious conferences and events.

Finally, thank you to our co-organizers and sponsors for making this event possible.

See you next year at Beyond the Obvious 2020 Edition!
